### Change of Auditor

Gaithersburg, Maryland - 19 DECEMBER 2018: MaxCyte (LSE: MXCT), the global cell-based medicines and life sciences company, is pleased to announce that following the conclusion of a formal tender process overseen by the Company's audit committee, the Company has appointed CohnReznick LLP (which ranks among the largest accounting, tax and business advisory firms in the United States) as the Company's independent auditor for the financial year ended 31 December 2018. The appointment of CohnReznick LLP as the Company's auditor for the financial year ended 31 December 2019 will be subject to approval by the Company's shareholders at the next Annual General Meeting due to be held in October 2019.

Aronson LLC has confirmed to the Company that it is not aware of any circumstances connected with its termination as auditor that it considers should be brought to the attention of the Board, creditors or shareholders of the Company. MaxCyte would like to thank Aronson LLC for its many years of service to the Company.

#### About MaxCyte

MaxCyte is a global cell-based medicines and life sciences company applying its proprietary cell engineering technology platform to deliver the advances of cell-based medicine to patients with high unmet medical needs in a broad range of conditions.

MaxCyte is developing novel CARMA therapies for its own pipeline. CARMA is MaxCyte's mRNA-based proprietary therapeutic platform for rapid autologous cell therapy for the treatment of solid cancers. In addition, through its core business, MaxCyte leverages its Flow Electroporation® Technology to enable its biopharmaceutical industry partners to advance the development of innovative, cutting-edge medicines, particularly in cell therapy, including the use of gene editing tools in the treatment of inherited genetic diseases and immuno-oncology approaches to treating cancer. MaxCyte has placed its cutting-edge flow electroporation instruments worldwide, with all of the top ten global biopharmaceutical companies, has more than 55 partnered programme licences in cell therapy including more than 25 licensed for clinical use. With its robust delivery technology platform, MaxCyte helps its partners to unlock the full potential of their products. For more information, visit [www.maxcyte.com](http://www.maxcyte.com).
